DETAILED ACTION

This office action is a response to the appeal brief filed on 9/27/2005.

Examiner's Amendment

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Vui on 12/5/2005.

The application has been amended as follows:

IN THE CLAIM

Re. Claim 1: After the phrase "driving source," as recited in line 3, replace the phrase "wherein the disc is" to –and a computer readable disc for storing data thereon--.

Re. Claim 14: After the phrase "at least one" as recited in line 2, replaces the phrase "disc" to –computer readable disc for storing data thereon--.

2. The following is an examiner's statement of reasons for allowance: Upon further consideration with applicant's arguments, examiner agrees with the applicant's counsel that the prior art of record of Duston et al. fails to disclose the claimed invention such as a disc assembly having a driving source and a computer readable disc for storing data

Art Unit: 3729

thereon. Duston et al. teach a disc assembly having a disc, which is not a computer readable disc for storing data. It is not obvious taken alone or in combination of other references fairly to suggest the claimed invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Claims 1-4 and 14-16 are allowed.

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Paul D. Kim whose telephone number is 571-272-4565. The examiner can normally be reached on Monday-Friday between 7:00 AM to 3:00 PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Peter Vo can be reached on 571-272-4690. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
